PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Doris Sasser Heads BPWC In Pahokee

BPWC Club met at the home of Mrs. Hilda Jensen Tuesday night. There were two guests from the Lake Worth Club, Mrs. Mimmie Southwick, who is State Radio and Television Chairman, and Mrs. Barbara Matten, president of the Lake Worth Club and who is also manager of the Cancer Crusade of the Palm Beach Unit.

Mrs. Matten showed a movie on Cancer and Mrs. Southwick gave a very interesting and informative talk on Cancer Society and the National Foundation. The danger signal, the research and education and also the service for cancer patients.

The Club elected new officers for 1951 and 1952: President Doris Sasser; First Vice President Mrs. Elsie Sims; Second Vice President: Mrs. Valerie Larrimore; Treasurer: Miss Betty Lou Pickett; Corresponding Sec. Miss Lucille Williams; Recording Sec. Mrs. Mildred Lavender.

The new officers will be installed at the annual banquet on the third Tuesday of this month. The Club voted to follow many other clubs in our district not to disband for the Summer but to have one meeting per month and to combine the business and social meeting. 16 members were present. Mrs. Jensen was assisted in serving by Mrs. Theresa Collins and Mrs. Mildred Schoepel.

Soloists Win Top Honors For Band

All soloists from the Pahokee High School Band won superior rating in the district contests held in the Palm Beach High School auditorium last week.

On Wednesday night Donna Joe Spooner and Judy Starling received highest honors in baton twirling. On the following Thursday night Pahokee Band soloists rated superior were Charles McCurdy (clarinet), Margaret Shirley (piano), Dick Atkins, (clarinet), Carolyn Scruggs (piano), Willard McCurdy (trombone), Carol Carpenter (piano), Millard Stanley (baritone saxophone), Charles McCurdy, Dick Atkins and Sidney Caruthers (clarinet trio).

These soloists are qualified to participate in the State Band Contest in St. Petersburg, May 3-5.

Lions At Canal Point Hear Three Pianists

Canal Point Lions at their dinner meeting Monday night in the Community Building in the County Park enjoyed a musical program presented by three pianists, Miss Patsy Maxson, M. M. Martin, Jr., and Gary Sanders. A. R. Harrington was in charge of the program.

President Boyd Vorhees called for a directors meeting later in the week to transact necessary business in order the Monday night meeting could be adjourned early and enable members to attend the PTA meeting.

Circle Rib Building Now Being Built

Gordon Hillier of the Pahokee Mill and Supply announces manufacture of Circle Rib buildings to be used as implement barns, corn storage buildings, fertilizer storage and housing facilities. The new building is being fabricated in the shop of the Mill and Supply Company, Mr. Hillier said.

The mill manager pointed out that the Circle Rib buildings now qualify for loans under the Commodity Credit Corporation Farm Storage Facility Loan Program.

Paul Collier Heads Pahokee Post 90

Paul Collier, Jr., was elected commander of Fred and Percy Mansfield Post 90 at the annual election of officers held in the new Legion Hall in Pahokee, Monday night.

Other new officers chosen for the coming year were R. M. (Mike) Sanders, first vice commander; David Unwin, second vice commander; Cecil Gray, third vice commander; Jimmy Batchelor treasurer; Louis Mims, chaplain; Edwin Kiser, sergeant-at-arms; George Goldman, historian; Carmen Salvatore, Jr., Ralph Johnson, Perry Duke, Paul Tillery and Melvin Spooner, members of the executive committee. An adjutant for Post 90 and a veterans service officer will be named later.

Lt. H. Lee Simmons, head of the Florida Highway Patrol district office in Pahokee, was introduced as a new member.

It was announced Post 90 will sponsor a home-talent play, "Lazy Days," on the nights of May 3rd and 4th. Plans were made for completing the interior finish of the new building. Carmen Salvatore, Jr., retiring commander, presided.

Red Cross Drive Quotas Far Behind

Dick Parrish of Pahokee and Roswell Harrington of Canal Point announce that the Red Cross drive in this area will be extended another month. Quotas have not been reached and more time and money is needed.

Mr. Parrish said out of the Pahokee quota of \$1700 that only \$450 has been collected.

Pahokee Elks Second In Ritual Contest

The Elks South Central District Ritualistic Contest was held in Fort Myers last Sunday and Pahokee placed second with West Palm Beach winning first place, according to Harold Rosenberg chairman of the committee in charge of the contest.

Other teams placed as follows: Wauchusa, Delray Beach and Fort Myers.

Mr. and Mrs. Otto Anderson of Tampa were guests of Mr. and Mrs. H. M. McIntosh in Pahokee Saturday while enroute to the bankers convention in Palm Beach.

Survey Is Made By Air Force Group On Morrison Field

WEST PALM BEACH—A military survey party arrived here Wednesday for investigations looking to possible reactivation of Palm Beach International airport (Morrison field).

County Commission Chairman Paul Rardin said the delegation asked that the commission adopt a resolution setting out exact conditions under which it would release the former Air Transport Command base to the military. He said such a resolution will be brought up for action at next Monday's commission meeting. The big base passed into county control after World War II.

Rardin said the party's immediate objective here is "to gather information for a real estate planning report for the Air Force as to how the airport lends itself to expansion."

"The group also is slated to present a word picture of local flying facilities to higher authorities in Washington," the statement from Rardin's office added.

Unconfirmed rumors circulated here last week that military authorities planned to extend existing airport runways north for about a mile to Okeechobee rd.

The resolution coming up Monday, Rardin said, will be "a reiteration of a former resolution that was presented in Washington by the board earlier this year."

"Briefly, it would turn over the field to the Air Force with the hope that the Civil Aeronautics Administration and Air Force would work out some arrangements whereby the commercial airlines could continue operations from the field. The commission, also hopes to gain some compensation for the money it has spent for improvements on the base."

Leonard Dobrow Takes New Office

President Leonard Dobrow and other newly elected officers of the Pahokee Lions Club took over their duties of office at the club's Tuesday luncheon meeting.

Following the annual election last week the club voted to have the new officers start serving immediately. The official installation ceremony will take place during the annual ladies night program on April 27.

A resolution was passed recommending that the Lake Okeechobee levee be named "Hoover Levee," honoring Herbert Hoover who was president of the United States when the levee was built.

It was announced the club's drive to get as many Pahokee residents as possible to re-register will be under the direction of the citizenship committee. All voters must re-register before the deadline of April 27 in order to be eligible to vote in the municipal election on May 8.

South Bay Group Hears Paul Rardin

Members of South Bay PTA heard County Commission Chairman Paul Rardin talk on "County Government" at the regular monthly meeting Monday night. Chairman Rardin pointed out that a great big slice of county funds go for welfare work throughout the county. He dwelled at length on the many charity services provided by the county for those who can't quite make it themselves.

During the past couple of months Chairman Rardin has been invited by several groups in the Glades and on the East Coast to tell the story of county government to their members.

Earle Pitts Hurt When Auto Wrecks

Earle Pitts of Pahokee, circulation manager for the Palm Beach Post-Times in the Glades area, was seriously injured in a car crash on State Road 15 a mile north of Belle Glade at 5:40 a. m., Sunday.

The accident occurred when Pitts ran into a car driven by William D. Cox of Miami while Cox was attempting a U-turn on the highway. Pitts suffered three broken ribs, severe cuts on the head and possible internal injuries. He is being treated at the Everglades Memorial Hospital where his condition is reported to be satisfactory.

Cox and his companion, J. E. Michaelson, of Miami received minor cuts and bruises. Cox charged with reckless driving and causing an accident, according to Highway Patrolman Valton Sheffield who investigated the accident.

Turkey Supper To Defray Band Expense

The Pahokee High School Band is sponsoring a Turkey Supper in the school cafeteria Saturday, April 7, from 5 to 8 p. m. to raise funds to help pay the expense of sending the Band to State Band Contest in St. Petersburg May 3-5.

Bandmaster and Mrs. Robert O. Lampi are in charge of general arrangements for the supper. Mrs. Mildred Schoepel will be in charge of the serving and Mrs. Jake Williams is making arrangements for securing cakes and pies. For \$1 a plate you get the satisfaction of knowing you are helping to send the Band to the State Contest while enjoying turkey and dressing, cranberry sauce, potatoes, string beans, corn on the cob, cabbage slaw, hot rolls and butter, tea or coffee and pie or cake. Talk about a good thing—that's it.

Inter-City Meeting Of Rotary April 13

An inter-city meeting of Rotary will be held at Belle Glade on Friday, April 13. Clubs from over the county will meet with the Belle Glade club as host at the Municipal Country Club. There will be no meeting in Pahokee on Thursday, April 12.

McClelland Heads Canal Point PTA

The eighth-grade will be returned to the Canal Point School, giving the school a junior high rating at the start of the school year next September, according to an announcement made by Mrs. Pope Sears, president of the Canal Point Parent-Teacher Association, at a PTA meeting in the school auditorium Monday night. Several years ago the seventh and eighth grades at the Canal Point School were transferred to the Pahokee School. This transfer, however, was not satisfactory to Canal Point school patrons who started a movement to have the grades returned. This year the seventh grade was returned to Canal Point and next year the eighth grade will be added.

At the annual election of new officers held during the meeting L. V. McClelland was elected president; Mrs. R. T. Smith, first vice president; Mrs. C. L. Stuart, second vice president; Claude Williams, third vice president; Mrs. Oocoola Upthegrove, secretary; Mrs. Joe Calhoun, treasurer. The installation ceremony will be conducted at the May meeting.

County Superintendent Howell Watkins and A. Q. Howell, member of the County Board of Public Instruction, were guest speakers on the special "appreciation night" program. Members of each grade gave brief talks telling why they appreciated their school. The pupils of Mrs. Wilma Lence's first grade room presented a play, "Trip to Holland."

The monthly attendance award was won by Mrs. Lence's first grade room.

At the conclusion of the meeting refreshments were served by Mrs. Joe Edenfield, Mrs. Clinton Livingston, Miss Sadie Wilson and Mrs. J. D. Pope, hostesses.

Rotary Assembly Held Monday Night

Members of all committees of the Pahokee Rotary club met in Rotary Assembly Monday night at the home of President Claude Shirley to discuss future plans of the club and assign program dates for the remainder of this quarter.

A special Mother's Day program will be under the direction of Paul Rardin. It was announced that the club will exchange a member with the Pahokee Lions club each week. A Freshman member day will be celebrated within the next few weeks.

It was voted to send Speaker B. Elliott in Tallahassee a telegram of congratulation and assure him that the local group is back of him 100 percent.

Canal Point PTA To Have Square Dance

The Canal Point Parent-Teacher Association will sponsor a public square dance in the Community Building at the County Park in Canal Point this Friday night, April 6, from 8 o'clock until 11:30 p. m. Admission will be 50 cents for adults and 35 cents for children.

News Notes From State Capital

TALLAHASSEE — The 1951 Florida legislature met this week with no "burning" issues except where and how to dig up about \$50,000,000 in new money for the next years. A Senate and House containing many new and young members gathered with the clouds of war all around, but not dark enough to give them much concern about civil defense. Gambling and its many overtones added spice to the conversation in the halls, but there is no real sentiment for curtailing racing, nor for legalizing other forms of gambling. Best for increased taxes—tinker the 3 percent sales tax to eliminate some exemptions, strengthen collections.

Governor Fuller Warren gave his talk to the opening session Tuesday afternoon, and by Wednesday both houses were settling down to organizing committees and to prepare for an avalanche of bills. Both Governor Warren and leaders of the House have committed themselves to trying to hold the line against any new taxes. Question now is whether he will use his veto power to prevent the spreading of the sales tax over food, agriculture and clothing. School people generally declare that unless the two-year state support for the common schools is increased from about \$100,000,000 to \$120,000,000, the minimum foundation program will totter, teachers will go elsewhere and some 30,000 new pupils each year may be denied learning. The three state universities and colleges seem condemned to no more expansion, and to austerity in operations. Mainly state departments face a long hard fight to get increased appropriations from either house. The senate, more reserved by nature, has not given much indication of its stand on the money question.

TALLAHASSEE—Pay raises for law enforcement officers and more money to obtain modern crime-fighting tools were recommended by Attorney General Ervin to the

legislature session just starting. Salary increases from \$10,000 to \$15,000 a year for harried supreme court justices (also recommended by the Florida Bar,) and adequate pay for sheriffs were prominent among his suggestions. He urged tighter laws to break up bookmaking.

TALLAHASSEE — The Florida Parole Commission reported to the legislature that 75 boys between the ages of 14 and 17 were sent to state prison in 1950. Many could have been handled by proper juvenile courts and possibly saved from such contact with other criminals, the commission concluded. Three were 14 years old.

TALLAHASSEE—In its report on the bookie law, the Florida Railroad and Public Utilities Commission told the legislature it has discontinued all "private wire" service used for gambling. However, it reported that if the commission is given the full job of enforcing the bookie law, rather than sharing it with the attorney general and county law enforcement officers, it should have the legal right to "tap" into telephone wires suspected of being used for illegal purposes. Otherwise it has no direct way to get evidence.

TALLAHASSEE—John M. Allison of Tampa heads the Florida Bar as a result of the recent Palm Beach annual convention, succeeding John T. Wigginton of this city. The Florida Bar, with headquarters here, will have William A. McRae, Jr., of Bartow for its 1952 president. Work of 26 major committees started this week with the appointment of chairmen and members. The bar will work toward more assistance for the supreme court of Florida, higher pay for justice, and possibly an appellate court made up of circuit judges to relieve the supreme court of much detail.

TALLAHASSEE — The east coast of Florida will get another state park, by release of \$16,540 by the cabinet to complete Tomoka Park near Ormond. This tract of land was partly improved by the state road department, and lies near a main state road. Money to be spent in making it useful for the people of that section came from the sale of war surplus pipe and water equipment at former Mamp Murphy, near Stuart. Construction of the approved park features already has started.

Campaign Planned For Cancer Donations

A goal of \$75 has been set for Canal Point in the current Cancer Fund Raising Campaign, which was launched April 1 and will continue through the month, according to John R. Day, county drive chairman for the Palm Beach County Unit, American Cancer Society.

Chairman for the Canal Point drive will be announced soon, he said.

Other Glades quotas include: Pahokee, \$500; Belle Glade, \$500, and Lake Harbor, \$25.

County-wide goal has been set at \$12,000, according to John R. Day, Lake Worth, county campaign chairman.

Among special features now being planned as drive benefits during the month is a golf tournament at Lake Worth, being arranged by Charles D. Pierce, Lake Worth local chairman.

Local chairmen named to date, hte quota of each: Neil McMillan, Delray Beach, \$1,200; George Hall, West Palm Beach, \$4,500; Mr. and Mrs. Henry Porter, Hypoxia, \$25; Mr. and Mrs. Charles Lehto, Lake Worth Finnish section; Charles D. Pierce, Jr., Lake Worth, \$1,250; William Lord, Boynton Beach, \$325; Gordon Lynn, Palm Beach, \$3,500; Business and Professional Women's Club, with Mrs. Pamela Knocke president, Riviera Beach, \$100; Mrs. Charles Sanders, Greenacres, \$25; and Mrs. Shirley Floyd, Jupiter, \$100.

Florida's State-wide quota has been set at \$182,000, Mr. Day said.

Palm Beach County ACS Unit raised a total of \$9,901 in 1950, "but this year we hope to raise several additional thousand dollars to continue and expand our county fight against cancer," the chairman said.

He explained county projects include maintenance of the Cancer Information Center in the Cameau Building, which includes a part-time secretary and a registered nurse. The nurse carries out the unit's nursing service program to cancer patients throughout the county and also serves at the Tumor Clinic, St. Mary's Hospital.

Branch Information Centers are also set up at Lake Worth, Belle Glade, Delray Beach and Pahokee.

Last year the county distributed more than 45,000 pieces of literature and provided funds for transportation and board for indigent patients at the clinic. Mrs. J. R. Gardner, county unit commander, said.

Both she and Mr. Day emphasized that "all the money received goes for research, education and service."

Phone Rate Increase Denied In Tampa

TAMPA—Appeal of the Peninsular Telephone Company of Tampa for an increase in telephone rates was denied by the Florida Railroad and Public Utilities Commission last week.

The commission held that the company is making more than 6 per cent annual return on its investment and termed the percentage "fair" and "adequate."

Peninsular serves Hillsborough, Polk, Pinellas, Manatee, Sarasota, Pasco, Charlotte, DeSoto, Hernando and Highlands counties.

Despite unseasonable weather and many handicaps, the United States Sugar Corporation, Florida's largest single industry, reports a good season with prospects even better for next year.

Harold Rosenberg was a business visitor in Tallahassee this week.

Mrs. Leon Kistner and son, Timothy, of Bridgeport, Conn., will arrive in Pahokee the first of the week to visit her parents, Mr. and Mrs. H. J. Anderson, and attend the wedding of her sister, Miss Margaret Anderson.

Mr. and Mrs. Boyd Vorhees and son, Boyd, Jr., were guests of Mr. and Mrs. S. P. Lee, Jr., in Miami Sunday.

Mr. and Mrs. H. J. Anderson will have as guests this weekend her brother-in-law and sister, Mr. and Mrs. Robert M. Firth; also Mr. and Mrs. Leslie Mosley, all of Portland, Me., and Riviera Beach, Fla.

Mr. and Mrs. Harry M. McIntosh attended the Bankers Convention in Palm Beach Sunday through Tuesday.

Mr. and Mrs. David Unwin were guests of Mr. and Mrs. Billy Bridges in Tampa over the weekend.

Buddy Peoples of Orlando was

the guest of Bobby Schroder here over the weekend.

Miss Wynell Gillis had as her guest over the weekend Miss Nannette Peoples of Orlando.

Mr. and Mrs. E. F. McIlwain expect to have as guests this weekend her mother, Mrs. Harriett Murdock, and sister, Mrs. Donna Mae Shields, of Wauchula.

While attending the Bankers' Convention in Palm Beach the first of the week Mrs. H. M. McIntosh and Mrs. Rupert Mock were luncheon guests of Mrs. Bert Todd Monday and of Mrs. Wiley R. Reynolds at her home on South Ocean Blvd., Tuesday.

Mrs. E. F. McIlwain, accompanied by her children, Chandler and Jill, was called to Orlando Friday by the death of her uncle, A. B. Wood.

A new box-closing machine, used successfully in California and Texas, was introduced to Florida recently by Vernon E. Ramsey, who installed 4 of these machines at the Lakeland Packing Company, Lakeland, by special permission of the Florida Citrus Commission. These machines will spread operations materially and insure a uniform pack regardless of volume.

TELEPHONE LINES ARE HUMMING FOR DEFENSE

This country's telephone service is one of its greatest assets in time of emergency. It unites millions of people—helps thousands of businesses to get things done quicker—and is a vital part of our national defense.

In the past five years Southern Bell has nearly doubled the number of telephones in service... nearly doubled Long Distance circuits, tripled rural telephones and made the service faster and better. And we're busy right now providing more telephone facilities throughout the South—to keep pace with its growing prosperity and expanding defense activities.

All this growth—and maintaining the financial strength to keep on expanding—will be increasingly important to the South and the Nation in the days ahead. One reason this country can out-produce any other is because it has the most and best telephone service in the world.

Plans Call For New Clewiston Plant To Make Newsprint

A newly formed Florida corporation, with offices at Clewiston, plans to construct a \$15,000,000 plant at Clewiston to manufacture newsprint from sugar bagasse, sugar industry waste material, Harry T. Vaughn, Clewiston, confirmed Thursday.

Joaquin J. de la Roza, Cuban engineer who developed a new and successful process for making paper from bagasse, made the initial announcement at New York.

He is president of the United Bagasse Cellulose Co. Mr. Vaughn is vice president and director of the new firm as well as director of the US Sugar Corp., at Clewiston.

De la Roza said Thursday the process is less expensive, the raw material more abundant and the quality comparable with newsprint made from wood.

He added that utilizing the waste of the sugar cane preserves the forests and wild life and aids soil conservation and water supply because there is no problem of deforesting to obtain raw materials.

The new plant, he said, will be built on a tract of land adjacent to the United States Sugar Corporation mill at Clewiston. It will utilize the sugar mill's waste and its initial capacity will be 45,000 tons of newsprint annually.

Mr. Vaughn confirmed that it will be located near the mill, adding "we've several places in mind and don't know yet just where it will be." He declined comment on possibility of increasing capacity of newsprint production in the near future after construction of the plant.

Plans for construction are in the works, de la Roza said. No definite date for ground breaking has been set, but de la Roza added the plant can be in operation in 18 months if suitable priorities for construction are obtained.

Announcement of the formation of the new company came at a time when there is tight supply of newsprint around the world.

Publishing sources have figured consumption of newsprint is about 6.5 percent above 1949 and production has gained only about 2.8 percent.

This means digging into stocks for the difference and stocks are dwindling. This supply situation has forced some papers to limit advertising.

The New York price is about \$106 a ton, the highest in almost 30 years.

De la Roza did not have any specific comment on price, but he did say commercial production of newsprint from sugar cane bagasse through his process was at a much lower cost than paper made from wood and of a comparable quality.

De la Roza is no newcomer to the scene. He is well known in sugar and paper technological circles in the United States and is a recognized authority on the utilization of bagasse and continuous pulp processing.

The United Bagasse Cellulose Corp., was set up and incorporated in Florida to manufacture catalogue, book and other papers and cellulose products from bagasse as well as newsprint. But newsprint is the first goal.

Directors for the new company

were listed as Atwood Dunwoody, Miami, attorney; Eric Lagemann, New York, director of Franco-Sugar Co.; C. Harold A. Mott, New York, director of Czarnikow-Clondra Co.; Forest P. Cralles, St. Louis, Mo.; Harry T. Vaughn, Clewiston and Charles E. Wetzel, Clewiston, all directors of United States Sugar Corp. - Palm Beach Times.

Interesting Facts On Meat Business

The U. S. Department of Agriculture recently published some interesting statistics on meat. There are 4,000 meat packers and 14,000 other commercial slaughterers. Every year 112,500,000 animals are slaughtered to furnish meat for the nation. Fifteen and one-half million are cattle, 9½ million are calves, 65½ million are hogs, and 2 million are sheep and lambs.

Three-fourths of these animals are produced in states west of the Mississippi River. The average consumption of meat per capita in the United States is 146 pounds. The total annual consumption of meat in the U. S. is 20 billion pounds, or 50 million pounds per day.

CARD OF THANKS

We wish to thank our many friends for flowers, prayers, cards and other expressions of kindness extended to us during the recent illness of my son, Merle Agner, and the death of my brother, John Faulkner, at Perry, Fla.

Mother of Two Praises Hadacol

HADACOL Supplies Deficient Systems With Vitamins B₁, B₂, Niacin and Iron

Mrs. Elmer Hisel, 3225 2nd Ave. Council Bluffs, Iowa, is a good mother.

Lucille Hisel, 4-year-old daughter of Mrs. Elmer Hisel, is a good mother. She keeps a careful watch over the welfare of her two young children. And when little Lucille Hisel wasn't feeling as her mother knew she should

do something about it. Mrs. Hisel, gave Lucille HADACOL because she had heard how much it was helping children who had poor appetites and stomach distress caused by deficiencies of Vitamins B₁, B₂, Iron and Niacin. It helped her so much that now Mrs. Hisel gives HADACOL to both of her children.

Here is what Mrs. Hisel says: "My daughter has taken two bottles of HADACOL and she has been eating more than before and also sleeps better. I think HADACOL is the best thing for children who do not have an appetite. My daughter is four years old. Before taking HADACOL my daughter complained of her stomach hurting her, and I got her a bottle of HADACOL and she says her stomach doesn't bother her any more. I think HADACOL is wonderful. I am also giving HADACOL to my three-year-old daughter."

HADACOL is So Effective
An important thing about HADACOL is that you get Vitamins B₁, B₂, Niacin and Iron in liquid form, which means that they are quickly absorbed and dispatched to the blood stream, ready to go right to work. HADACOL helps build up the hemoglobin content of the blood (when Iron is needed) to carry these precious Vitamins and Minerals to every part of your body.

Belle Glade, Fla.

Mind if we read your palm?

These long mixed lines show it is hard for this person to keep money.

These lines show riches brought about by one's own efforts.

Loose flesh at the base of the thumb denotes a person who plans carefully.

WE'LL BET that this hand belongs to a person who invests regularly in U. S. Savings Bonds.

It is the hand of a person who plans for the future wisely and well. One who has enrolled in the Payroll Savings Plan where he works—or, if he's not on salary, on the equally convenient, equally profitable Bond-A-Month Plan at his bank.

U. S. Savings Bonds are Government guaranteed to pay you back \$4 for every \$3 you put in—after ten years. There is no surer, wiser investment a man can make today!

Cross your own palm with plenty of silver in years to come. Start saving right away with U. S. Savings Bonds!

*Automatic saving is
sure saving—
U.S. Savings Bonds*

Mrs. Earl Maxson Is New WSCS President

Mrs. N. Earl Maxson was elected president of the Canal Point Methodist Woman's Society of Christian Service at a meeting at the home of Mrs. N. V. Maxson Tuesday afternoon, with Mrs. W. K. Buchanan, retiring president, presiding.

Other new officers elected were Mrs. J. P. Parker, vice president; Mrs. Harold Rosenberg, secretary; Mrs. Donald Kepp, treasurer; Mrs. W. K. Buchanan, promotional secretary; Mrs. C. L. Stuart, secretary of Christian social relations and local church work; Mrs. Boyd Vorhees, missionary education secretary; Mrs. H. C. Kinney, student work secretary; Mrs. J. W. Roper, literature and publications secretary; Mrs. W. N. Veal, supplies secretary; Mrs. Earl J. Jones, children's work secretary; Mrs. W. E. Johnson, youth work secretary; Mrs. F. M. Wilson, spiritual life secretary.

Mrs. Leonard Maxson was welcomed as a new member. Mrs. Mamie Maxson and Mrs. Margaret Little were introduced as guests.

Mrs. John A. Dulaney of Pahokee, West Palm Beach District secretary of children's work, was also introduced as a guest. She spoke briefly of the work being done in her department.

Mrs. Earl J. Jones gave a report on the district conference which she attended recently in Vero Beach. Mrs. Boyd Vorhees reported the completion of the WSCS study course, "Methodists of the World," conducted by Rev. Earl J. Jones. Plans are made for a clean-up day at the church on April 24.

A program entitled "Be Ye Perfect" was presented by Mrs. W. E. Johnson, assisted by Mrs. Buchanan and Mrs. Stuart. Mrs. Harold Rosenberg was in charge of the devotionals.

Placement Tests Given PHS Seniors

Members of the Pahokee High School Senior Class took placement tests on English, social studies, natural sciences and mathematics at the high school Wednesday. These tests are given annually to seniors of all high schools to determine their scholastic standings.

Square Dance By Rainbow Girl Group

The Pahokee Assembly of Rainbows will sponsor a public square dance in the Community Building at the County Park in Canal Point on Friday, April 13, from 8 p. m. until 12 midnight.

Sophomores To Fete 1951 Senior Class

The Pahokee High School Sophomore Class will entertain the Seniors at a dance to be held in the Community Building of the County Park in Canal Point on the night of May 11 from 8 p. m. until 12 midnight. The Seniors and their dates will be admitted free. Other high school students will be charged 50 cents admission, stag or drag. The committee in charge of arrangements includes Eugene Caruthes, Mary Hall and Sylvia Wilson.

Officials Visit The Flood Control Project

WEST PALM BEACH—Attorney General Richard Ervin, accompanied by Assistant Attorney General Bob McClure and a party of friends, made a tour of inspection recently of the work accomplished in Palm Beach and Broward Counties by the Central and Southern Florida Flood Control District in cooperation with the Federal-State program. It was the first time that

Mr. Ervin had ever visited any part of the project. "It is magnificent," he said in an awed voice as he viewed the miles of levee stretching out before him and the huge dragline at work. "The rapid transformation of this project, from blueprint to actuality, is amazing."

The attorney general, who had pledged his support to the Flood Control program prior to his election, said that all individuals and agencies who have had a part in the conception and realization of this great project are to be congratulated. "I am proud to have had a small part in it," he said, "and I shall further cooperate in every way possible."

ATTEND REVIVAL

A group of young people from the Pahokee First Baptist Church Choir attended the revival services at the First Baptist Church in Clewiston this week and sang in the choir while there. They were accompanied to Clewiston by Rev. and Mrs. Hoke H. Shirley, Mr. and Mrs. S. L. Lindsay, Mr. and Mrs. Burnhardt, Mrs. Frances Rogers, Mrs. Vera Summerlin and Mr. and Mrs. Batchelor.

Bride's Shower For Mrs. Jimmy Shirley

Mrs. Earle Pitts, Mrs. H. B. Thompson and Mrs. Carmen Salvatore, Jr., entertained at the Woman's Club Friday night with a party and bride's shower in compliment to Mrs. Jimmy Shirley, the former Nina Russom.

The hostesses used a color motif of pink and green in decorations which included bouquets of garden flowers. The gift table was covered at the center with a pink and green umbrella. Contest prizes were awarded to Mrs. J. E. Wilson and Mrs. Jimmy Shirley and a chair prize was won by Mrs. W. A. Stevens, Sr.

The Misses Johanna McKinstry, Dorothy Kinney, Ina Russon and Eva Mae Rutherford assisted with the serving of refreshments to 32.

Revision of the State Constitution, long overdue, will be advocated by the Citizens Constitutional Committee in the 1951 legislature. Presenting a three-point program, indications are that some action will be taken at this session toward definite revision.

HAVE you ever wondered how it would feel to go the limit on power and comfort and quality in an automobile?

Or how it would feel to be lord and master of a car that can take its place with the finest in the "fine-car field"?

Then, sir, this is a call to action.

The first action is yours—the simple action of getting in touch with a Buick dealer and planting yourself behind the wheel of a ROADMASTER.

Then let this great-powered and dazzling performer take over.

There's action in every one of the 152 horsepower in its Fireball engine—more action than most proud owners of this eager beauty will ever use.

There's counter-action in its gentle and sure-gripping brakes, the finest that Buick has ever engineered.

But there's also luxury—the luxury of double-depth Foamtex cushions and custom upholstery—and of ample roadweight

magnificently poised on coil springs which individually cushion every wheel.

There's a spacious feeling of room, above and around you—room that is unsurpassed anywhere in the fine-car field.

And to make every mile effortless and relaxed, there's the very exclusive advantage of Dynaflo Drive—not as an "extra," but as a standard ROADMASTER feature.

So why not drop in and satisfy yourself, as our guest, that here indeed is a fine car that goes the limit—in everything but price!

Check for yourself what others ask—and what others offer—and you'll discover ROADMASTER prices a call to action that a wise man can't ignore.

Equipment, accessories, trim and models are subject to change without notice.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

Willingness to acknowledge the unreality and illusoriness of that which God never made enables men to accept and rejoice in God's perfect and real creation. This first fact will be stressed in Christian Science services next Sunday when the subject of the Lesson-Sermon is "UNREALITY."

A statement from Chris Jesus' "Sermon on the Mount" provides the Golden Text: "Every tree that bringeth forth good fruit is hewn down, and cast into the fire"

(Matt. 7: 19).

Readings from the Bible include the following: "The Lord is righteous in all his ways, and holy in all his works" (Ps. 145: 17).

Among the correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make,—hence its unreality. In the Science of Genesis we read that He saw everything which He had made, 'and, behold, it was very good' " (p. 525).

Fellowship Groups At Clewiston Meet

Several members of the Methodist Youth Fellowship groups of Canal Point and Pahokee attended the MYF Sub-district meeting in Clewiston Tuesday night.

The presidents of the various MYF groups in the Glades area were named on a committee to nominate new officers and report at the next meeting. It was announced the Sub-district MYF will sponsor a benefit rummage sale at Pahokee on Saturday, April 14.

The attendance banner was won by the Canal Point MYF group, which was accompanied to the meeting by Rev. Earl J. Jones and Mr. and Mrs. W. E. Johnson. The Pahokee group, accompanied by Rev. Ralph W. Todd, was second in attendance.

ATTEND PTA MEET

Members of the Canal Point Parent-Teacher Association who attended the PTA Region Nine meeting at the Northwood Baptist Church in West Palm Beach last week were Mrs. Edward Rogers, Mrs. L. C. Livingston and Mrs. Boyd Vorhees.

Young Cubs Receive Pins At Meeting

Danny Padgett and Sonny Young were awarded Bobcat pins and Karl Watson, a Wolf pin and Golden Arrow, at a meeting of the Pahokee Cub Scout Pack in the Lions Hall Friday night.

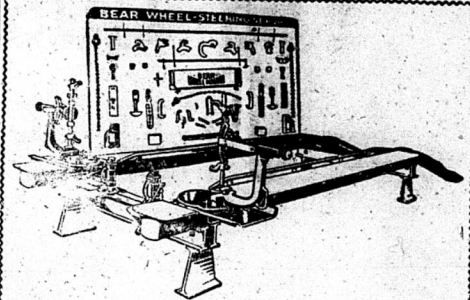

J. T. Holden, cubmaster, presided at the meeting and presented the awards. A motion picture on "Cub Scouting" was shown. Pahokee Boy Scouts were guests.

Mr. and Mrs. Joseph L. Hatton, Sr., had as guest the past week their nephew, Ray Strong, of Schnectady, N. Y.

BPW Club To Sponsor Cancer Crusade

The BPW Club will sponsor the Cancer Crusade for the American Cancer Society in the Pahokee and Canal Point area. Mr. J. R. Gardner of West Palm Beach is the County Commander and John R. Day is Campaign Chairman.

Mr. and Mrs. A. M. Cunningham, recent guests of his brother and sister-in-law, Mr. and Mrs. D. W. Cunningham, in Pahokee, were accompanied to their home in Sumter, S. C., by his mother, Mrs. Mary Cunningham, who spent the season here.

Come to Church

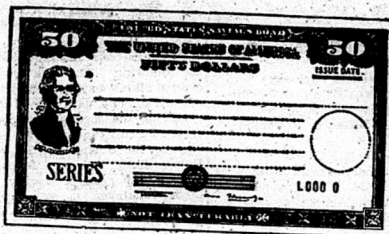

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Churches Of The Glades

(This message sponsored and space made available by Paul Rardin).

Try this on your stereoscope!

When this "viewer" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and CROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U.S. Savings Bonds help to picture a bright, happy future!

Automatic saving is sure saving—U.S. Savings Bonds

Baptist Circles In Pahokee Meetings

The various circles of the Pahokee First Baptist WMU met at homes of members this week as follows:

The Lottie Moon Circle met at the home of Mrs. C. H. Tillis, hostess, who was assisted by Mrs. Frank Tillis and Mrs. Lucy Batchelor. Mrs. Stella Mullis presented a program on "Subject of Prayer" and talks on the topic were given by Mrs. J. P. Herring, Miss Elizabeth Caraway, Mrs. E. E. Coleman, Mrs. W. A. Stevens, Sr., Mrs. Ivy DuBoise and Mrs. Harris. Mrs. J. C. Mock and Mrs. L. M. Mullis were in charge of the devotionals. It was announced the circle will serve the youth choir in April and the visitation of new members was chosen as the community mission project for the same month. Mrs. H. L. Speer announced a WMU Association meeting will be held in Belle Glade on April 19.

Mrs. James Batchelor presented a program on "Stewardship" at a meeting of the Helen Hayes Circle at the home of Mrs. Ray Hawk, Jr. Mrs. L. M. Mullis was in charge of the mission study and Mrs. Hawk gave the devotionals.

Mrs. J. H. Wilkinson, Jr., was hostess to members of the Faye Taylor Circle at a meeting at her home Tuesday. Mrs. Leon Burnett presented a program entitled "Pray Ye Therefore" and was in charge of the devotionals. Talks on the program subject were given by Mrs. Claude L. Shirley and Mrs. Joe Thompson. Mrs. James Batchelor spoke on "Stewardship." It was announced the circle will be in charge of the program at the general meeting of the WMU in May; also that the circle's project for April was the presentation of the book, "Big Fisherman," to the WMU library.

The Lucy Jones Circle met at the home of Mrs. H. J. Clause Monday afternoon, with the chairman, Mrs. Robert O. Lampi, presiding. Mrs. Vera Summerlain reviewed the last chapter of the mission study book, "Partnership with Christ." Mrs. Rogers was in charge of the program. The group voted to conduct future meetings in the afternoons at 3 o'clock instead of 3:30.

Attend Vacation Bible Institute

Those from Canal Point and Pahokee who attended the Vacation Bible School Institute at the First Methodist Church in West Palm Beach Thursday of this week included Rev. and Mrs. Earl J. Jones, Mr. and Mrs. D. L. Hooks, Mrs. Boyd Vorhees, Mrs. W. E. Johnson, Mrs. Donald Kepp, Mrs. James Miller, Mrs. N. E. Maxson, Mrs. J. W. Repper, Mrs. C. L. Stuart, Mrs. Elmer Maxson and Mrs. Pope Sedra, Canal Point; Rev. and Mrs. Ralph W. Todd, Mrs. Clyde A. Canipe, Mrs. Jack Phillips, Mrs. J. T. Boynton and Mrs. C. M. Todd, Pahokee.

Club Is Scene Of Birthday Party

Mrs. W. J. Adams and Mrs. L. C. Howard entertained at the Woman's Club recently with a dance party honoring Mrs. Adams' son, Don Adams, and Mrs. Howard's daughter, Miss Roberta Hattov, both of whom were celebrating their sixteenth birthday anniversary. Sidney Caruthers won a contest prize. The hostesses were assisted with the entertainment by Mr. and Mrs. Jack Spell of Fort Mayaca. Refreshments were served to approximately 40 guests.

Mr. and Mrs. Louis Vann and children, Rudolph and Lucille, were called to Baxley, Ga., Sunday by the illness of her father, Andrew Dubberly.

Pearson-Clowe

Mr. and Mrs. Thomas Clowe of Lake Worth announce the engagement of their daughter, Miss Winifred Clowe, to Paul G. Pearson, son of Mr. and Mrs. E. C. Pearson of Lake Worth.

Miss Clowe graduated from Lake Worth High School and Palm Beach Junior College where she was a member of the Philo Club and Phi Theta Kappa. She received her AB degree from Florida State University, Tallahassee, where she was a member of Sigma Delta Pi and Phi Kappa Phi. At present she is a member of the faculty at Pahokee High School where she teaches Spanish and English.

Mr. Pearson also attended Lake

Worth High School and Palm Beach Junior College where he was a member of Phi Theta Kappa. He received his BS and MS degree from the University of Florida where he was a member of Phi

Beta Kappa. He is now on the teaching staff of the biology department at the University of Florida while studying for a Ph.D. degree.

Plans for a summer wedding will be announced later.
